

**TIRED OF POOR IN-BUILDING RECEPTION?**

**STAY CONNECTED!**

**IF YOU CAN'T RECEIVE SIGNAL YOU CAN'T COMMUNICATE!**

**DON'T LOSE BUSINESS**  
because of poor cellular coverage

**COMBINED WIRELESS** has the solution with  
bi-directional amplifiers from **BOSTON AMPLIFIER**

**Ideal for:**

- >> Office Buildings
- >> Warehouses
- >> Construction Sites
- >> Home Offices
- >> Rural Ranches
- >> Or if you just need a few more bars . . .

Combined Wireless is an authorized reseller for Boston Amplifier.  
We also have solutions for improving in-vehicle cellular coverage.

For details on how you can improve your coverage,  
**contact us at 800-399-8710**
